Mother Nature Curtails School — Temporarily

Although 1977 had "The Big Freeze" (-21°), 1978 had "The Biggest Blizzard of the Century." The blizzard hit Ohio shortly after midnight on Thursday, January 26. Most people were unaware of the storm until they awoke to find wind gauges reaching 70-80 mph and temperatures of 3° , but equal to -49° due to the howling winds. Poor visibility made driving extremely treacherous. Roads drifted shut and remained so until equipment could reach them, schools closed, industries shut down, farmers were unable to reach livestock, roofs caved in or blew entirely off, fires burned and fire departments were unable to reach them, electricity was cut off, telephone lines downed, people ran out of fuel and others had no heat. Snowmobiles and four-wheel drive vehicles proved to be the only means of transportation to get to stranded cars and homes without food or power. President Carter finally declared Ohio a disaster area and the National Guard came to the rescue! Using heavy snow removal equipment and helicopters, they were able to reach stranded people.

Due to the blizzard and other weather, we missed 18 days of school. The State gave schools 5 and the government gave 3 days that wouldn't have to be made up . . . that left a total of 10 days Riverside had to make up. Of course, Spring vacation was cancelled and everyone gladly looked forward to the warmer days of sunny Spring!

I feel apathy (a criticism) could be their most dangerous downfall and become contagious

I feel involvement, dedication, and free thinking can be praised and encouraged so that students become mature, well disciplined people

STUDENTS, MEET YOUR STUDENT COUNCIL

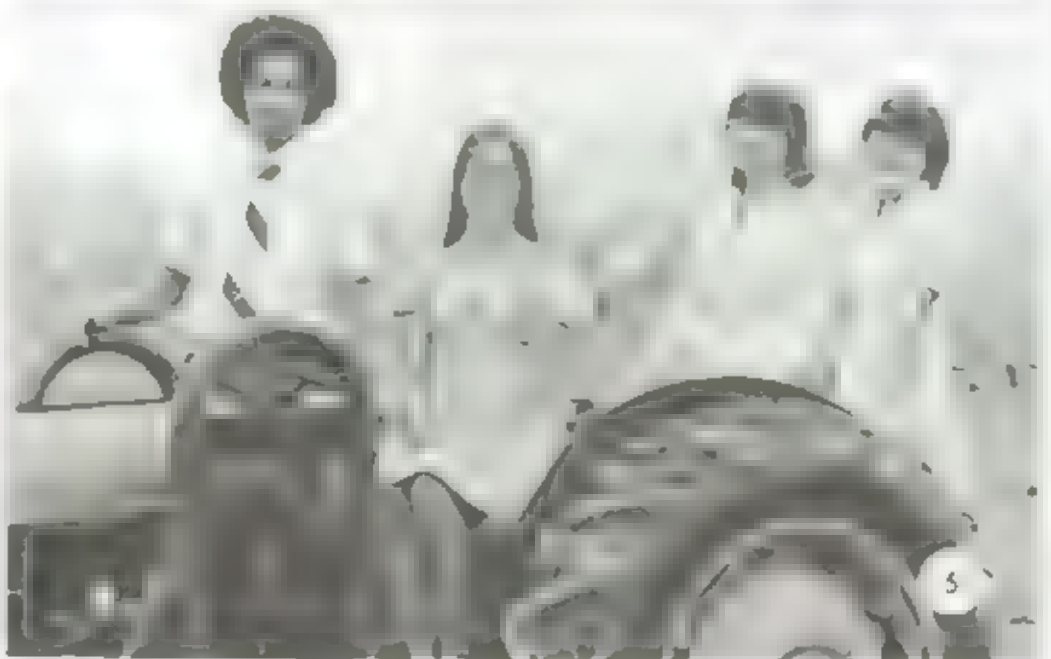

Student Council Members are elected by the student body. In the Fall, they meet and select three committees: Building and Grounds, Publicity, and Assembly.

Building and Grounds try to keep school presentable. They have the thankless job of getting ready for assemblies and picking up litter from the school grounds.

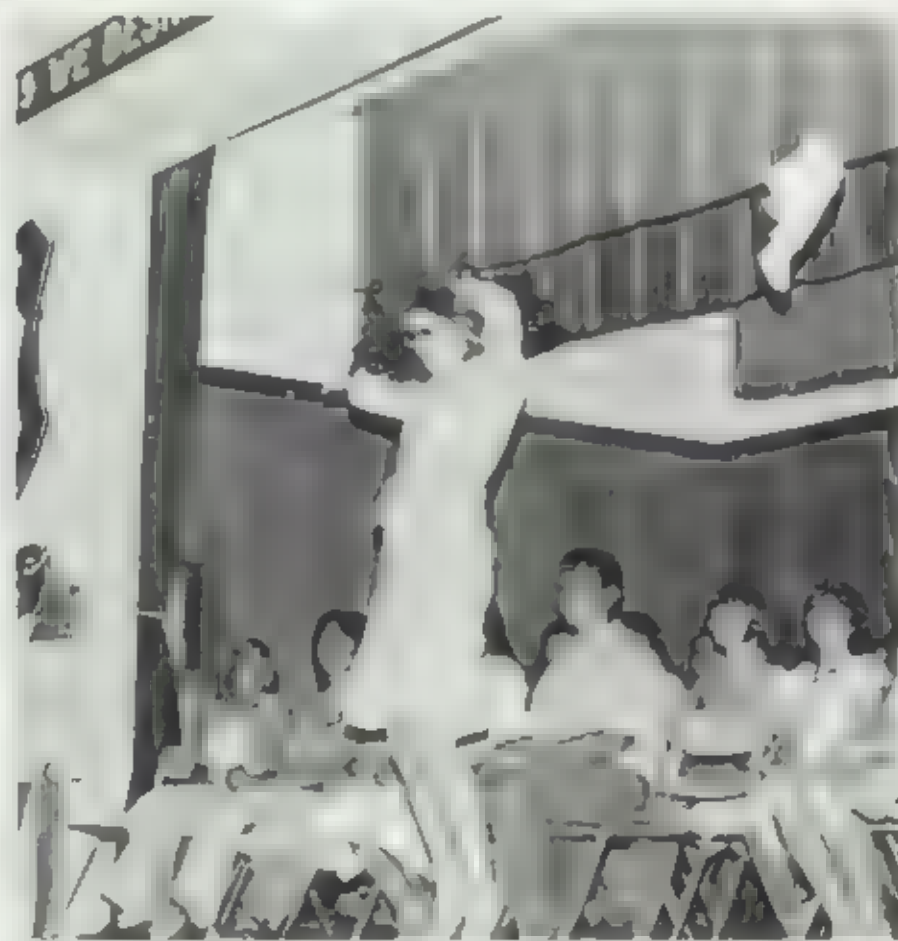

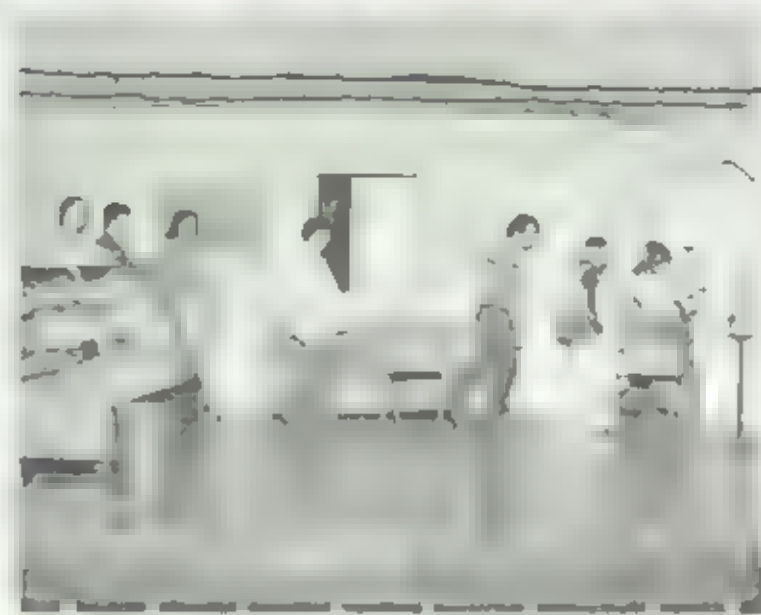

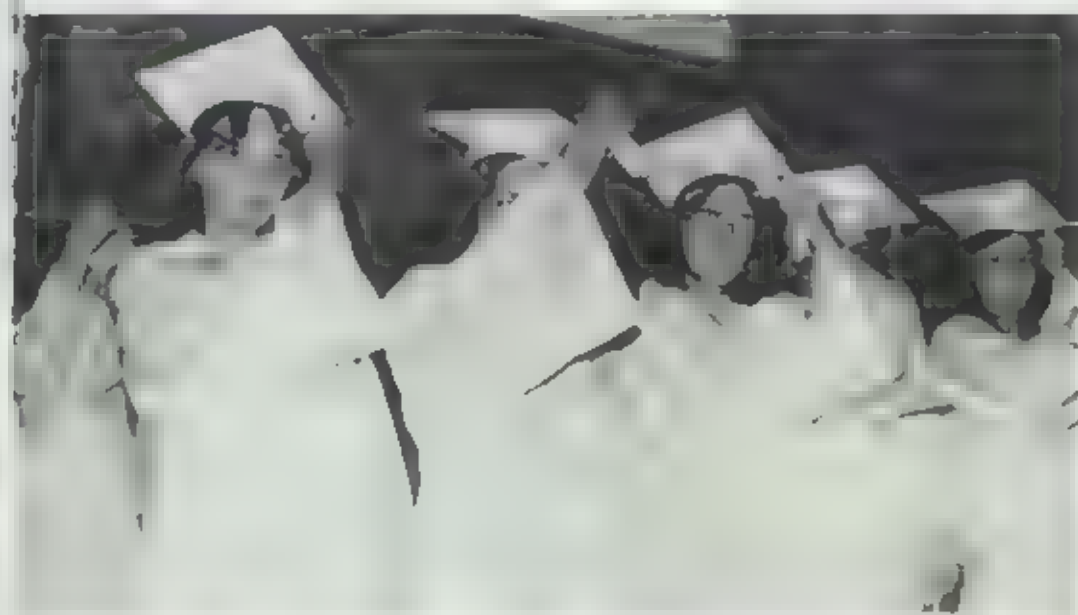

Publicity is to keep the student body up-to-date on all Council meetings. These are the people who put up signs on the Homecoming Dance, the Gong Show, and any other Student Council function.

Assembly has the difficult task of keeping the students entertained and informed. During the '77-'78 school year this committee planned assemblies on topics ranging from drugs to the money-making Slave Day.

PIONEER HISTORY DAY

One sweater coming up

Needlework -- a fine pastime

They'll be here ALL night!

This year marked the 4th Annual Pioneer History Day with over one thousand individuals attending and participating. The day started off with the butchering of a hog

The Vo. Ag. students took part in the shearing of the sheep. The wool was then taken to the log cabin. In the cabin the wool was then carded, spun, and dyed. Cross-cut log sawing, wildlife planting and gardening are, also, seen

The fire pit at the cabin warmed the fat to make homemade soap and heated the beeswax so that candles could be dipped. Sassafrass tea was available for sampling. Free samples of homemade bread, butter, and honey were made by the Home Economics girls.

Contests included pioneer dress, kite flying, cross-cut log sawing, horseshoe pitching, greased pig chasing for junior high, and canoe racing for senior high students

The Riverside School Farm is a pioneer effort in education to help students assume responsibility in working out solutions for very practical problems; to have the feeling of satisfaction for a job well done, and to become aware, to be more knowledgeable and committed to a better quality of life

A fine touch!

GRADUATION — JUNE 4, 1978

With the girls in white gowns and the boys in blue, the 74 graduating seniors marched into the gym. The Invocation, Baccalaureate Sermon, and Benediction were spoken by (4) Rev. Walter Custer of the DeGraff United Methodist Church.

The Commencement Address, concerning the works of Ralph Waldo Emerson, was given by (3) Dr. John R. O'Donnell, professor of education at the University of Dayton. Dr. O'Donnell spoke of "the three things that make us think and act the way we do: we depend on our knowledge of nature; we learn and act from the past; and we should then follow through with action." He ended by saying "... if you don't see yourself as extremely important and as an extension of God, then you can't function."

Chosen as (1) Valedictorian was Tina Rose with a 3.9 grade point average. (2) Salutatorian was Sharon Prater with a 3.8 grade point average.

Seniors: THE BUS STOPS HERE

The seniors as a change this year had a play with a different twist. It is laid in the combination waiting and lunch room of a Greyhound bus stop, in the County Seat of a mid west community. What a strange and conglomerate mixture of people enter Mrs. Baker's lunch room. Mrs. Baker, a hard-working widow operates the bus stop with the help of Jenny, a giggly young waitress and Jerry, a teenage orphan who has lived with Mrs. Baker since his parents died. However, these aren't the only problems; each person who comes in on the bus has a problem of his or her own. But somehow all these problems are solved when they step back on the bus.

NIGHT TO REMEMBER

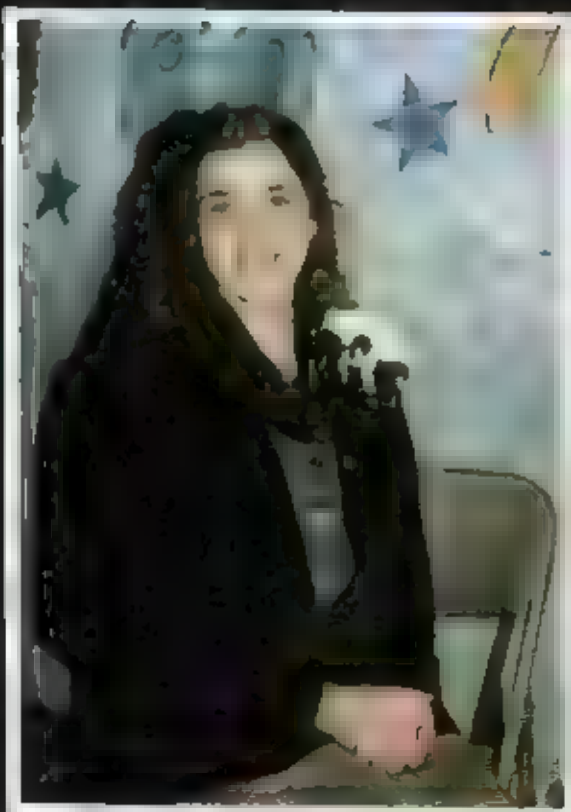

The 1977 Homecoming activities were in full swing when all classes began decorating for Spirit Week (Oct. 10-15). Thursday was an evening of fun and enthusiasm to get the student body involved in the SPIRIT for Friday night's game. Class competitions were held including a greased pumpkin race and greased pole contest followed by the Annual Bonfire.

Friday was the day of Homecoming — many were wearing red and blue. Freshman had collected money for the homecoming flowers, Sophomores created the float, Juniors decorated the football field, and Seniors planned the dance decorations.

Saturday evening the Homecoming Dance was held in the high school gym with a 5 piece band, "Spectrum," providing the music. Before the dance began, the queen and her attendants were escorted into the gym by the following: **QUEEN'S ESCORTS** — Tony Robinson and Greg Wick, **SENIOR ESCORT** — Mike Allman, **JUNIOR ESCORT** — Jeff Boggs, **SOPHOMORE ESCORT** — James Heath, **FRESHMAN ESCORT** — Chris Harshbarger. The **JUNIOR KING and QUEEN** — Matt Worsham and Jill Hillepole.

October 14, 1977, is a date that I will long remember. Throughout September everyone was anxious to find out who would be the 1977 Homecoming Queen. When Mr. Baier told us, I was so surprised that all I could do was cry.

Homecoming Night filled me with joy and satisfaction when all my devoted time and careful planning evolved before me. The co-operation of my attendants — Deb, Jo, Kim, and Joyce — was greatly appreciated. The football team went down in defeat, but they played the most exhilarating game of their season.

My crown and photos will hold the memories of the most exciting evenings of my high school years. I was truly on "The Edge of the Universe."

CHEERLEADERS HAD THE SPIRIT

(1) **FOOTBALL** — Julie Stahler, June Purk, Loni Shultz, Connie Schaffner, Diane Wohlgamuth. (2) **VARSITY BASKETBALL** — Top — Aisa Kuntzman. Middle — Teddy Oaks, Julie Foster. Seated — Brenda Hodge, Debbie Glett. (3) **RESERVE BASKETBALL** — JoAnn Brautigam, Vickie Pitts, Jana Kelly, Kim Davis, Scarlett Perk

This year the cheerleaders were busy boosting the spirit of the school. One way of achieving this was when ten basketball cheerleaders and one football cheerleader went to cheerleading camp at Findlay, Ohio, during the week of July 21, 1977. They brought back a lot of cheers and some good skits for the pep rallies.

An interesting item this year was the fact that the football squad was comprised of all seniors, and the varsity basketball squad was made up of four seniors and one junior. This has not happened in several years.

We wish to express our thanks for the hard work that the cheerleaders did this year to make this the best year yet.

COACH'S COMMENTS

Our Football Team's success came not in victories, but in development of a program. Being 1-9, it seems hard to think in terms of success, but these young men fought hard and developed a certain character unlike any other team with a similar record.

The season was highlighted by Greg Wick's 1029 yard performance and his all WCOC 1st team selection. I am sure that this team will always remember the 1977 Pirate Football Program.

With a fine group of young men coming up, I am sure the picture looks bright for future teams.

FOOTBALL

The 1977 Fall Sports Awards was the 1st in a series of three separate occasions to recognize all students participating in the Riverside Athletic Program. For seniors, sports in high school would now become a thing of the past; but for others, it was on to a better next year.

(1) **MOST VALUABLE VOLLEYBALL PLAYER** — Amy Van Buskirk (named to the WCOC 2nd all league team) **MOST IMPROVED VOLLEYBALL PLAYER** — Amy Stahter (2) **MOST IMPROVED GOLF PLAYER** — Jeff Latimer (shot a low score of 45 and averaged 48). **MOST VALUABLE GOLF PLAYER** — Keith Weiskittle (individual score of 42 and averaged 45) (3) **MOST VALUABLE DEFENSIVE FOOTBALL PLAYER** — Kit Manning (named to the WCOC 2nd all league team as linebacker) **MOST VALUABLE OFFENSIVE FOOTBALL PLAYER** and **MOST VALUABLE FOOTBALL PLAYER** — Greg Wick (named to the WCOC 1st all league team as running back and to the WCOC 2nd all league team as line backer) **FOOTBALL CO-CAPTAINS** — Tony Robinson and Greg Wick.

ONE STEP CLOSER

GOLF TEAM — John Linet, Dave Williams, Terry Rowley, Jeff James, Jim Bodenmiller, Tab Worsham, Keith Weiskittle, Steve W. burn, B. J. O'Grady, Jeff Latimer, Doug Comer, Coach Newton

B. J. O'Grady was the only senior on the team. He had the team's lowest round of 44 in the WCOC tournament. He finished his high school career earning 3 varsity letters.

Why does one go out for golf? Just so he can get up a 7 a.m., walk through wet grass, play in sub-freezing weather and finish the day with a score of 120? No, also, for relaxation, satisfaction, self-improvement, and competition. This year's team consisted of 11 players; 5 of which were returning lettermen. They set a new school record with a team score of 185 in a match against Fairlawn and Botkins. Their final record was 5 wins and 7 losses, but included in this were matches against conference and district champions. The 1977 WCOC tournament was held at Cherokee Hills golf course which was, also, the home course for our team. Riverside finished third in this tournament with an 18 hole total of 389. This is the 4th year for golf at Riverside. If the team continues to progress at the present rate, next year's team should be competitive in the WCOC.

COACH'S COMMENTS

The RHS Golf team enjoyed another good season, while continuing to build for the future. While losing only one senior varsity player, there will be 10 returning lettermen. Most noteworthy will be the seniors next year, many of whom will have played and lettered together for their 4th year, upcoming. Watch for school records to be broken next year, as a fine veteran team will be returning, to set their mark in the Riverside Record Books!

COACH'S COMMENTS

The 1977-78 Varsity Basketball season was not as successful as we had hoped. We were too inconsistent, committing too many mental mistakes, but the desire to win was always there. Hopefully the lessons learned in defeat now will make us all stronger in the future

COACH'S COMMENTS

The 1977-1978 Jayvee Basketball team showed both in experience and excitement. Consisting of 3 Freshman and 5 Sophomores, many games were begun outmanned, both in numbers and physically. However, these 8 ball players showed a lot of pride and determination in being in practically every game, even those ending in defeat. The record of 6-12 will no doubt be improved upon next year. Thank you reserves, for an exciting and enjoyable year of basketball.

FRESHMAN TEAM COMPETITIVE

COACH'S COMMENTS

The 1977-78 Freshman Basketball team faced several difficult challenges enroute to a 2-7 season.

The team faced an early uphill struggle when three of the top Frosh were promoted to the Reserve squad.

Despite facing much taller opponents, the team showed its desire by playing a tenacious defense and controlled offense to make all their ballgames close and exciting.

The team's two wins during the season showed they had the ability to "rise to the occasion" as they defeated WCOG tournament champion Fairbanks and a "big" Indian Lake five.

In terms of improvement and progress, the season was rated as successful by the coaching staff.

GIRLS' SPORTS WERE EXCITING

COACH'S COMMENTS

The Varsity and Reserve Girls' Basketball Teams improved a great deal during the season. The Varsity's record of 5 wins and 10 losses was not very impressive, but the team hustled and showed the desire and enthusiasm necessary to make all the games exciting. The young Reserve team made up of freshmen and sophomores compiled an excellent 9-4 record

COACH'S COMMENTS

The volleyball season was not as successful as anticipated. The varsity compiled a 5-11 record and finished fifth in the league. The JV team finished with a 6-8 record. A highlight of the season was winning our first tournament match ever by defeating Sidney Lehman. Amy VanBuskirk received individual honors by being named to the 2nd team all WCOC.

SENIOR SPORTS STARS

SENIOR HIGH TRACK

COACH'S COMMENTS

The Riverside Girls Track Team improved from last year's 7th place finish in the WCOC to finish tied for 3rd this Spring. The key factor to this year's success was the strong leadership and point production provided by the seniors. Six participants earned 15 points or more to qualify for a varsity letter. Those girls are: June Purk, Julie Foster, Julie Stahler, Vicki Dever, Joy Davidson, Sandra Krisher. June Purk, also, qualified for district.

COACH'S COMMENTS

The 1978 Pirate Baseball Team gained much needed experience. Playing 6 juniors, 4 sophomores, and 6 freshmen meant that next year's team will be experienced. It was indeed an honor for me to have been associated with such fine young men.

THE WEDNESDAY NIGHT GANG

It's hard to express in words all the emotions I feel about this yearbook. Although there were some rough times when we thought we wouldn't make it, most of the memories I have are very precious. I'll never regret the time I spent putting the annual together because the memories contained within are priceless. The pictures themselves tell the story of the school year. Hopefully some memories that may have been temporarily forgotten will be relived when you look through this annual.

There are some special thanks to be made: to the faculty, who was understanding when students weren't in class because pictures were being taken; to the wonderful staff that worked under me, to Mrs. Heath for her supervision and "pushes" she gave; and to the students themselves for creating the moments captured in this yearbook. I hope this book will be cherished as much by you as it is by me.

Debbie James
Editor

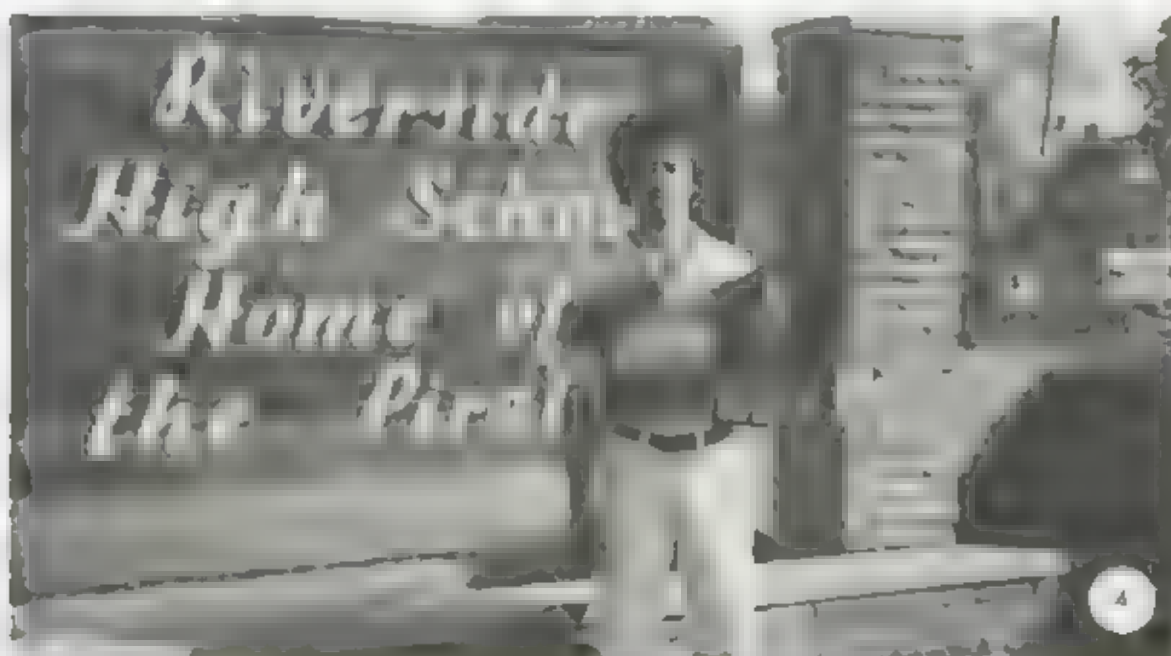

To be a member of the Annual Staff, you have to be a junior or senior who is willing to devote your Wednesday nights to work. You, also, have to brave the bad weather during football season and the rejections during basketball games to peddle programs. The other income is obtained through ad sales and selling the yearbook itself. There are a lot of trials and tribulations in putting together an annual. Despite these, the satisfaction comes when you leaf through the finished product and realize that you are a part of the annual.

PLANNERS AND PROMOTERS

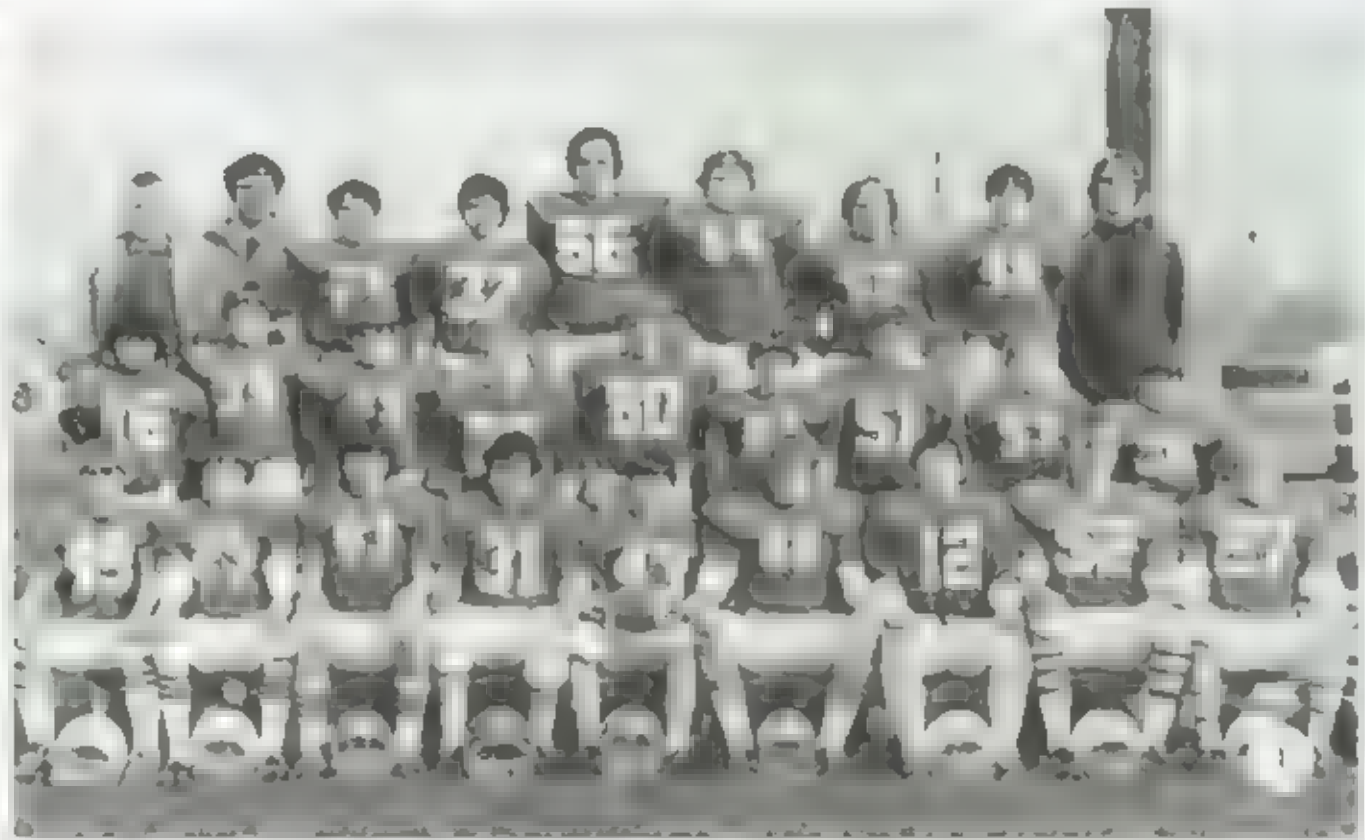

Jr. High Student Council is a very busy organization. Throughout the year, they were busy planning their money-making project which was a skating party. They used the money to send two members to a workshop in Cincinnati and to pay for their dances. They had a Sadie Hawkins dance for the first time this year. It proved to be a success.

A NEW FIRST FOR JR. HIGH

COACH'S COMMENTS

The 1977-'78 Jr. High Girl's Basketball Season was a first in many ways. We opened with a victory and ended the season by a narrow loss. The teams showed great sportsmanship as well as a never ending effort. This will definitely be a season to remember

COACH'S COMMENTS

The Jr. High Girl's Track Team tied for 6th in their league. There were a number of girls that paced in the finals. Most of the girls put their full effort towards track which definitely helped to make the 1977-78 track season turn out the way it did

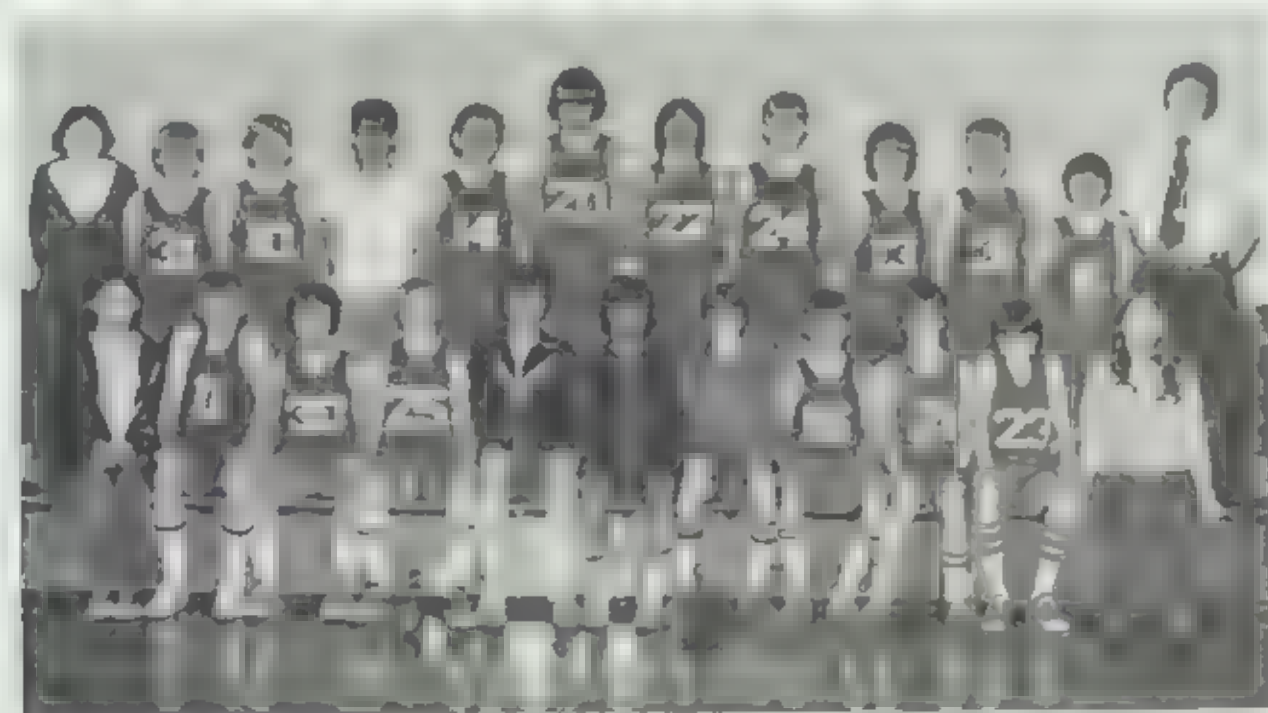

*Coach
Diana Morton*

COACH'S COMMENTS

The Jr. High Boy's Track Team this year was a hard-working group of athletes. Time and time again, these boys showed what it took to become better at what they do. I've seen dedication and reliance which every coach wishes for and talent that could be an asset to this school in future years. I enjoyed coaching these boys and look forward to seeing their hard work pay off for them
